Manipal Academy of Higher Education (MAHE) Manipal, was conferred the Deemed – to – be University status by the Ministry of Human Resource Development (MHRD), Govt of India (GOI) in 1993 and considering the contribution to the Education domain, Ministry of Education (MOE), GOI accorded the Institution-of-Eminence Deemed-to-be-University status in 2020

Manipal Institute of Technology (MIT) Bengaluru

Started in 1957 with Civil Engineering, Manipal Institute of Technology has grown with the times and today offers 18 BTech specializations, 27 MTech Specializations and PhD programs in multi-disciplinary areas. Over 6 decades, MIT Manipal has made a significant contribution to the global economy through its alumni, who have gone on to occupy a global leadership position, bringing name and fame not only to MIT Manipal but to the nation in particular. MIT Manipal takes great pride in offering the updated syllabus as desired by the industry, with a good mix of core subjects, program and open electives, and vibrant campus life conducive for learning and growth, enabling students to transition from campus-to-corporate with relative ease.

MAHE Manipal is pleased to announce the establishment of an Engineering Institute at Bengaluru, named "Manipal Institute of Technology (MIT) Bengaluru". The regulatory body All India Council for Technical Education (AICTE) New Delhi has approved to offer the following 5 Bachelor of Technology (BTech) programs from the academic year 2021 - 22

- Bachelor of Technology (BTech) Computer Science and Engineering
- Bachelor of Technology (BTech) Computer Science and Engineering (Artificial Intelligence)
